

5-Minute iRules: What's a URL?

Jason Rahm, 2010-29-09

On last week's podcast, we riffed for a few on the common misunderstandings of what a URL versus a URI are in terms of writing iRules and communicating said development in the forums. I had earlier in the day been looking at [Prezi](#) and got the idea that I should attempt my first Prezi on breaking down the various components of a URL and URI. Be gentle:
