

Bring Your Own A-Z

Peter Silva, 2013-01-10

The #BYO craze has taken the world by storm and now infiltrates every sector of our lives. Here is a partial list, in alpha-order, of various bring your owns.

BYO Apple: For the teacher in your life, the princess you'd like to put to sleep or to keep the doctor away for a day.

BYO Beer: The original classic, college style. And BYO Booze for when you're out of college and got a little cash.

BYO Candy: With Halloween approaching this could see a surge over the next 30 days.

BYO Device: Or danger, destruction, demolition, detonator or any other dastardly 'D' word to represent risk.

BYO Everything: When Internet of Things takes over our lives. Chocolate *Chips* have a whole new meaning.

BYO Food: The newest Potluck Parties.

BYO Game: Actually sitting at a table playing the physical versions of Monopoly, Life, Candy Land, Scrabble, or any other favorite.

BYO Hacker: Bodyguards in the 21st Century.

BYO Intelligence: Actually using your brain to figure out something...or when AI robots take over the world.

BYO Jump Drive: A whistleblower's favorite.

BYO Kittens: For making that irresistible, can't-stop-watching, almost viral video.

BYO Litigation: The new term for Small Claims Court.

BYO Money: What Cash will be called 10 years from now.

BYO N: BYO's maximum amount. As far as BYOingly possible.

BYO OMG: The Surprise Party.

BYO Presents: What you take to the BYO OMG.

BYO Quarrel: The updated version of an older brother's favorite 'Stop Hitting Yourself.'

BYO Raven: Quoth he.

BYO Sushi: The new 'Gone Fishing' Bumper sticker.

BYO Time: It's all relative anyway.

BYO Utopia: Happiness comes from within.

BYO Vacation: The latest Griswold adventure this time with a Hybrid LTD Country Squire.

BYO Warnings: Wouldn't be cool if everyone had to announce the hazards of interacting with them?

BYO X: Half of a Tic-Tac-Toe game or how Hawaiians greet each other.

BYO Yawn: What you did right now when you read this entry.

BYO Zombie: Pretty much anyone walking around fully engaged with their BYOD.

Well that was fun. C'mon play along - it's easy and works with almost any word!
