

F5 Hats for You

Jeff Browning, 2006-15-11

Since the bags were so popular, we looked around to see what else we can give away to wrap up the contest with some excitement. Upon mischievously raiding a marketing storage room (shhh), we found some cool baseball caps in both tan and black. They're cool caps that you'll actually like wearing and they feature the distinctive "F5 ball" logo (no - sorry - they don't light up like a BIG-IP ;). See example at right...

Here's what we'll do: the next **9 entries** will get a cap (plus the t-shirt for entering the contest). Sorry - I'm wearing #10. They're nice caps...

Simply **enter your iRule** and we'll respond back and give you the choice of either black or tan. Talk about service, huh?
