

IPEXpo 2011

Robert Haynes, 2011-19-10

So, just a short update, we've had a good first day at IPEXpo, loads of great conversations with people, doing interesting projects that we can help with. Lots of interest in the new features of V11 – especially [Analytics](#) and [IApp](#) templates. Big thanks Technical Marketing Manager [Pete Silva](#) for coming over to wow the crowd and [film the stand](#). We're on stand F48 - come visit for a chat and some classy show giveaways.
