

iRules HTTP Event Order Update

Jason Rahm, 2011-01-02

I received an update to the HTTP Event Order diagram last night from the excellent F5er John Alam. Here it is, in all its glory!

Fire up the printer, the laminator, whatever, and get this on your cubicle wall pronto! For comparison, the original drawing is in the second link below. For visio, pdf, and svg versions of this image, [click here](#).
