

On the road

Jeff Browning, 2008-27-01

Just waiting to board my flight to Kuala Lumpur this evening for our Asia-Pacific regional partner conference. Looking forward to meeting up with old friends and to making new ones. If you're attending, be sure to look for me or Colin and say "hi". We always like hearing about the interesting things people are doing. And of course, we're always happy to answer any questions you have.
