

Pulse2013 ‐ Gimme 90 Seconds: IBM Edition

Peter Silva, 2013-04-03

I welcome F5 Solution Architect Nojan Moshiri as his next contestant on the hit trade show game show, Gimme 90 Seconds. See if Nojan wins the coveted psilva autographed F5 squeeze ball if he's able to answer how F5 products secure, optimize and provide high availability for IBM solutions. Had a little camera blip at the end so thanks to Janice Merk for handling the camera and Nojan for playing!
