

# Social Media ABC's - Z is for Zombie

Joe Pruitt, 2008-10-12

Welcome to my series of blog posts on the ABC's of Social Media, a tool that you can use to make you more "hip" in the world of Facebook, Twitter, and LinkedIn (just to name a few). Today's letter is "Z". There aren't many Z words directly relating to Social Media but I think I've found one that actually applies to me. Are you one of those who will join any and all Social Media services just because everyone else is? Then, like I, you are a Social Media Zombie.
