

# The Presidents Of The United States Play Back Porch

Joe Pruitt, 2008-03-11

---

Our little band had the pleasure of opening for [one heck of a great group](#) at our recent sales conference. Luckily I had my camcorder along for part of their set. The audio is a little distorted but seeing how I was a body length away from their amps, there wasn't much I could do about it.

So, without further ado, get "happy with no teeth", be "happy here in hibernation", get "slurpin' on a peach", and start "staring' at the situation" - on the Back Porch!
