

The Presidents of the United States Play VKTRS

Joe Pruitt, 2008-07-11

Here's the last clip from [our little band's](#) opening for [one heck of a great group](#) at our recent sales conference. MTV chose to air this song as their first video played in North America and PUSA do a great cover on it! This song seems to be an opener for them but during this show it was towards the tail end of the set. And seeing how in the song "The Radio Star" was "Oh-a oh, you were the first one" meaning first video on MTV, I thought it was fitting that "Oh-a oh, you were the last one" meaning the last video I'm posting from the show.

So, sit back and enjoy "Video Killed the Radio Star"!
