The [Press Release](#) went out, the [content](#) has arrived and the [blogs](#) are booming all about [BIG-IP V10](#). I'll keep this short since the team has already gotten your attention with the awesome entries below (and soon above) this post but did want to provide a [link](#) to all the [multimedia materials](#) available to you. [IT Agility Your Way](#) means that F5 understands that each IT environment is unique, including You. You might consume content differently. You might not have the time to read a whitepaper. You might not want to waste paper printing documents. You might like watching a 5 minute video. You might like listening to podcasts on the go. Well, we've got You covered too.

Along with all the [amazing materials](#) already mentioned, we've also created [Audio \(mp3\) versions](#) of the [V10 whitepapers](#) and are introducing a new video series, '[In 5 Minutes or Less](#),' where we show you a specific feature or functionality in, well, 5 Minutes or Less. The new [Application Ready Solution Templates](#) is featured in our first 'In 5.' So not only is F5 delivering IT Agility Your Way, we're also offering incredible content Your Way. Enjoy the show.
