

VMworld2015 – Realize the Virtual Possibilities (feat. de la Motte)

Peter Silva, 2015-31-08

Always insightful Phil de la Motte, Dir. Business Development, lets us in on the F5 highlights at #VMworld along with how to take advantage of labs and demos that are also available online. Virtually participate in the [Hands-On Labs \(HOL\)](#) for instance. He also discusses the latest [vRealize](#) integration and the business benefits of a combined [F5 & VMware](#) solution like being able to deploy applications faster, secure them easier and automate as much as possible. Phil includes some good things to think about when deploying virtualized environments.
