

While I am AFK…

Lori MacVittie, 2009-25-11

With any luck I am already AFK for a visit with [Don's](#) mother and his family for Thanksgiving. And I'm really (really, I swear) going to be AFK (away from keyboard) for the entire time.

Really. I'm serious this time, stop looking at me like that. Ever heard of "pre-publishing?"

So while I'm out, you might need something to read. And if so, you might want something you can read two or three times because, well, it was that entertaining.

If that's the case, I highly recommend you give "[BSOFH: Catering to a niche market.](#)" a read. Or two.

And have a wonderful Thanksgiving. See you next week!
